Forecast for Sunday 17 Nov 2024

Weather: Cloudy or partly cloudy overnight with the chance of the odd shower. Bright spells during the morning with occasional showers. Cloud increases and lowers in the afternoon with showers merging into longer outbreaks of rain, heavy at times.

Chance of cloud-free hill tops above 600m: 90% becoming 50% in the afternoon, then 20% later.

Low cloud and visibility: Occasional cloud around the summits at first, becoming extensive, base 600m or less later in the afternoon and into the evening. Visibility mostly good or very good at first except in showers and summit cloud, becoming mainly moderate to very poor later in the afternoon and into the evening.
